

Battle of the Backyards 2

In a case of 'double trouble' the Blitz team, for the second time this year, are pitched against each other in a competition to create the best backyard. Pairing up as dynamic duos, our famous four stop at nothing to out design, out deceive, and outshine each other! The team tackle the barren backyards of a new estate, transforming the gardens of a pair of neighbours who have just moved into their dream homes. During the program viewers are encouraged to keep watching for their chance to vote as to which garden they like the best. The winner will win a Backyard Blitz garden makeover (competition details below).
