Carers' Bridge Climb for Retina Aust NSW

It's time to celebrate our Carers!

**on Wednesday 3 December 2014
International Day for People with Disabilities**

This is the opportunity to give back some well deserved fun time to those in our society who regularly and unselfishly give of themselves to others.

What is bridge2care?

Bridge2care has been created to raise awareness of Carers and to celebrate their contribution to society. We are going to climb the Sydney Harbour Bridge! People who dedicate their lives to caring for others deserve to be valued by our nation – this is for them!

I'd like to be part of bridge2care! How can I help?

Take the challenge! Join us for an adventure with BridgeClimb on Wednesday 23 November. To reserve your climb, or for any enquiry, email events@bridge2care.com.au with your name, organisation (optional) and contact telephone number. We will reply with full booking and payment instructions. Cost of BridgeClimb is \$248.00 per person. Twilight Climb from 5.35pm \$308.00 pp.

I'd like to fund raise and / or donate to Retina Australia NSW!

You can go straight to <http://www.everydayhero.com.au/event/retinaaustraliadonation> and make a donation. Plus read more about this worthy cause - Retina Australia NSW Inc - finding a cure for retinal blindness. This is the perfect time to make a difference!
